WE LIVE AT

_____ has autism and sometimes wanders. They may not respond to their name, and they might not recognize danger the way other kids do, so we're grateful to have neighbors like you looking out.

IF YOU EVER SEE THEM ALONE, PLEASE CALL US RIGHT AWAY

You may spot them playing in the yard, watching cars go by, or exploring the sidewalk, all perfectly normal! A friendly wave is always welcome. We just want you to know who they are and how to reach us, so we can all keep them safe together. Thank you for being a wonderful neighbor.
